**Announcement:**

**The March SWLARC Club Meeting  
Is Cancelled for March 24, 2020**

VE sessions are also cancelled...see below for more information.

As everyone can probably guess, due to the increasing Virus spreading, the SWLARC Executive committee, along with polling the general membership, has decided to cancel the March 24<sup>th</sup> SWLARC Club meeting for obvious reasons. Hope that the April 28<sup>th</sup> Meeting can be announced as back on track. The social meeting coming up in April 14<sup>th</sup> will have to wait and see how the contagion is progressing or being contained. We will keep you posted.

VE Exam sessions will have to be postponed, however one on one sessions can be arranged at private locations with a minimum of three VE and a single applicant. If anyone falls in this situation, please contact the club via the website or by email. If anyone wishes to email through the newsletter it will be forward on to the correct VE and they will get in touch with you.

Best wishes to all the readers and hope and prayers for our country, neighbors, relatives, friends, and the world.
